

**NEW, IMPROVED
AND EXPANDED!**

**Great Lakes Colleges Association
Tuition Remission Exchange**

The Great Lakes Colleges Association (GLCA) recently made changes to its Tuition Remission Exchange (TRE) program, helping to improve and expand this great benefit for faculty and staff across the 19 colleges and universities participating in the program. The GLCA-TRE program allows students eligible for tuition remission because of parental employment at one of the participating colleges receive tuition remission at any of the other colleges in the Exchange. We are expanding membership and reducing the TRE Fee from 15% down to 10% of the average tuition across all participating institutions (\$5664 for 2024-25).

**The GLCA-TRE program welcomes our two newest members:
